

## New and Noteworthy

@ the J.W. Crane Memorial Library, Deer Lodge Centre

...Canada's largest and best-known special library on aging and long-term care

***Bedside manners: a practical guide to visiting the ill.*** Katie Maxwell. Grand Rapids, Mich. : Baker Books, 2005 BV 4335 M48b 2005 Consumer

Illness is a spiritual, emotional, and physical crisis. As a trained hospital counselor, Katie Maxwell knows that visitation takes practice and patience. She also knows the mistakes even a well-intentioned visitor can make and has made a few herself. In ***Bedside Manners***, Maxwell offers valuable insight into visitation, whether it be in hospitals, nursing homes, or the homes of shut-ins. Writing from personal experience and drawing from appropriate Scripture references and various resources, Maxwell teaches you how to be open, compassionate, empathetic, and sensitive to a patient's needs and conditions.

***Charting made incredibly easy!*** Philadelphia : Lippincott Williams & Wilkins, c2010 WY 100.5 C486c4 2010

In its Fourth Edition, ***Charting Made Incredibly Easy!*** provides up-to-the-minute guidelines on documentation in a comprehensive, clear, concise, practical, and entertaining manner. The book reviews the fundamental aspects of charting such as the medical record, the nursing process, and legal and professional requirements, guidelines for developing a solid plan of care, and the variety of charting formats currently being used. It also addresses the specific requirements for charting, whether the setting is acute care, home care, or long-term care and rehabilitation. Special elements found throughout the book make it easy to remember key points. This edition includes new information on cultural needs assessment, HIPAA, National Patient Safety Goals, and electronic health records.
